Algorithm: Guidelines for International Arrivals (Dated 7th January 2022) applicable from 11th January 2022 00.01 Hrs

**International Arrivals**

- Mandatory filling up of Self-Declaration Form (SDF) and uploading of negative RT-PCR test report* for all International travelers

- Airlines to ensure availability of negative RT-PCR report before allowing the travelers to board

**Travelers coming from Countries ‘at risk’** to undergo RT-PCR testing on arrival:

- If testing negative:
  - Home quarantine for 7 days,
  - Re-test on the 8th day*, upload report on Air Suvidha Portal and if negative, self-health monitoring for next 7 days

- If testing positive:
  - Send sample for genomic testing
  - Admit at isolation facility.
  - Treatment as per laid down standard protocol.
  - Discharged at the advise of treating physician

- If testing positive on repeat testing:
  - Send sample for genomic testing
  - Treatment as per laid down standard protocol.
  - Discharged at the advise of treating physician

**Travelers coming from Countries excluding those enlisted as Countries at risk**:

- A random sample of 2% of travelers to undergo RT-PCR testing on arrival

  - If testing negative:
    - Send sample for genomic testing
    - Treatment as per laid down standard protocol.
    - Discharged at the advise of treating physician

  - If testing positive:
    - Send sample for genomic testing
    - Treatment as per laid down standard protocol.
    - Discharged at the advise of treating physician

**All travellers (including 2% tested at random) to**:

- Home quarantine for 7 days,
- Test on the 8th day*, upload report on Air Suvidha Portal and if negative, self-health monitoring for next 7 days

**If developing symptoms during quarantine/ self-health monitoring period or test positive on repeat testing**:

- Report to nearest health facility or contact National (1075) or State Helpline No.

*Children under 5 years of age are exempted from pre- and post-arrival testing. However, if found symptomatic for COVID-19 on arrival or during home quarantine period, they shall undergo testing and treated as per laid down protocol.

# Countries from where travellers would need to follow additional measures on arrival in India, including post-arrival testing (Countries at-risk)
